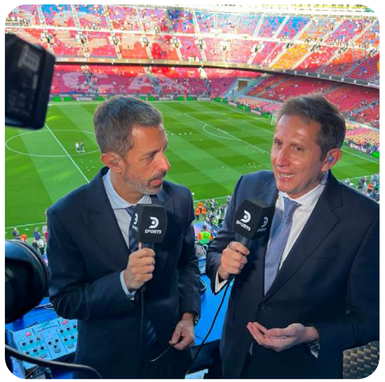
Broadcasting rights

Regional leaders in the commercialization of audiovisual rights for the most prominent sporting events.

DSPORTS

Redefining the sports experience in Latin America with presence in Argentina, Chile, Colombia, Ecuador, Peru, and Uruguay, through top-tier multiplatform coverage that brings millions of fans closer to the world's most important events.
From the most popular global tournaments to major national competitions, DSPORTS combines live broadcasts, 24/7 programming, and high-quality original productions to deliver a unique, dynamic, and relevant experience in each market. Through an innovative approach and exclusive content tailored to each market, DSPORTS doesn't just broadcast sports—it connects audiences, fuels passion, and sets the tone for sports conversation across the region.



TyC Sports

TyC Sports is the pioneering channel that set the standard for sports content in Argentina and has established itself as the leading brand in the country's sports segment. With a unique identity and an innovative approach, it captures the passion of sports through comprehensive coverage of the most significant local and international events.

Its offering is enhanced by live programming that combines news, updates, analysis, debate, and entertainment.

Nowadays, TyC Sports goes beyond the screen: through its digital ecosystem, it connects millions of users with high-quality content, tailored to new audiences and platforms.

Under the strategic guidance of WAIKEN ILW that ensures constant evolution, the brand continues to expand its reach, consolidate its leadership, and strengthen its bond with sports fans.

Contents and Productions

“Direct to consumer” Streaming platform. Combines the best of live local and international TV, sports programming, news and the OnDemand world of movies, TV series and documentaries. DGO is present in Argentina, Chile, Colombia, Ecuador, Uruguay, Peru and Mexico, while Sky+ is present in Brazil.
